

Music

GRADE 1- DUPLER RHYTHM

Content Vocabulary:

Quarter note ("ta")
Eighth notes ("ti-ti")
Quarter rest ("rest")
Rhythm of the words
Steady beat

Essential Understandings:

- Beat usually stays steady during a song. It is the 'heartbeat' of the music.
- Rhythm consists of short sounds, long sounds, and silences.
- We show steady beat by moving or tapping a steady pulse.
- We can read quarter note as one sound on a beat, two eighth notes as two sounds on a beat, and a quarter rest as one beat of silence.
