## GRADE 1- CONCERT PREPARATION

### Essential Understandings:

- **Singing:** Voices sound best when they are singing the same pitch. A singer uses their mouth to pronounce words, show emotion, and allow sound to come out. A singer also uses good posture and correct volume.
- **Cross-curricular:** Each continent has its own musical style. The drum is a typical instrument from Africa. The maracas, marimba, guitar, violin, and trumpet are typical instruments from Mexico.
