## Technology Fridays

*Keyboarding, coding,  
maker space activities  
and more...*

Fridays are dedicated to these activities and more. Students will be working in the computer lab or in the library to create and explore.

**There will be no book checkout during the Friday visits.** (Normally the 2<sup>nd</sup> library class of the week.) Children are welcome to return their books any day of the week and may exchange books before school.

### Are you Curious? Check Out Destiny!

Our online catalog is more than just a list of books. Find digital books to listen to and view on online. Learn more about authors and book series. Create your own poems or comics. Check out these and many other resources on our Destiny website.

<http://tinyurl.com/bgcatalog> - Select Birch Grove

**Volunteers needed!** Volunteers are needed any time between 8:30 and 10:00 a.m. Mondays, Tuesdays, Wednesdays and Fridays to shelve books. If you are available, please contact Mrs. Berardino at [pberardino@tolland.k12.ct.us](mailto:pberardino@tolland.k12.ct.us)

### Family Hiking Backpacks

Thanks to the generosity of the Tolland Education Foundation, BGP LMC has four **family hiking backpacks** that families may borrow.

Backpacks include field guides, binoculars, scavenger hunts and more!

To reserve a backpack, go to <http://tinyurl.com/bgpbackpack>
