

TERAC

Tolland Early Readiness Advisory Council

TERAC serves as advisor to the Family Resource Center (FRC). We look at issues important to families in Tolland as they raise their children. We meet for an hour quarterly. We plan and discuss updated information and make decisions about FRC programming and areas of community involvement.

The role of the advisory committee, as written in the FRC grant is to: build broad-base support for the Family Resource Center, bring expertise and a variety of perspectives, create membership with a clear vision of long-range goals, help ensure that FRC's are providing programs to meet local needs, and give FRC administrators a network to reach out to other constituents. Membership must include families, director, or staff of the local Birth to Three program, collaborating organizations, school personnel, i.e. principals and kindergarten teachers.

We invite you to join us for refreshments and conversation! Help us identify the needs you see for families in Tolland!

Thursday, November 20th 6:30-7:30 PM Birch Grove Portables 247 Rhodes Rd. Tolland, Ct 06084

If you can't make it but are interested in finding out more about TERAC please let me know!

My best,

Laurel Leibowitz, Tolland FRC Coordinator lleibowitz@tolland.k12.ct.us
